

Snowman File Folder Game

© 2012 [Preschool Powol Packets](#) All Rights Reserved.

Snowman File Folder Game Instructions:

Cut out snowmen pieces and tape or glue them onto the inside of a file folder.

Laminate and cut out snowmen hat pieces. Let your child match the hats to the snowmen,

according to the patterns. Patterns can be reinforced by creating

the same pattern out of crayons or blocks and predicting what will come next.
